

Virtual Non-Profit Fundraising

January 2021

2020 Virtual Fundraising Highlights

- Some organizations were able to 3x their fundraising goal
- Start raising funds before your event begins, continue raising money after it is over
- Larger Audience (Local & National)
- Audience Interaction & Engagement
- Reduce your costs and time for: planning, operating, sponsors, volunteers, & supplies

In our continued efforts to support non-profits, we've partnered with Tree-Fan Events, a leader in non-profit fundraising. Tree-Fan Events brings 10+ years to exceed fundraising goals. In 2020 Tree-Fan Events planned and produced 60+ virtual fundraising galas that helped bring in over \$2M. Learn more with the QR code below.

About ANDX

AND is a word intended to join or bring together. X is the experience factor that is determined by the variables around it.

Our philosophy at ANDX is to identify the variables and solve for success in order to **Raise the Experience** for both you and your audience. We do this by being ambitious, service minded and innovative in the way we plan and use technology to execute complex processes and make them feel simple and seamless.
