negotiated in advance. In cases where release time is less than 8 hours, AX retains the option of continuing Clients' labor clock as if both days were one continuous day, including all applicable overtime charges. - All equipment rentals are based on 24-hour periods, unless multiple-day package prices/terms are negotiated separately. Client agrees to pay daily equipment rental fees as quoted by AX. Rental clocks do not stop for meal breaks or for equipment not used. - All rentals are Portal-to-Portal. Rental is considered to have started when equipment leaves AX according to client's delivery request. For on-site, multiple day rentals, rental days are deemed to have started upon first use of equipment or consecutively with crew (employee) call, whichever comes first. No rental is considered completed until Client has officially released AX and until Client has made the equipment available for safe removal, including adequate access to equipment and loading docks. - In cases where Client rents AX equipment without AX supervision (labor.) Client agrees to provide an experienced professional to operate AX's equipment and/or software. Client agrees to pay AX for any repairs or labor needed to return equipment and/or software to the working condition that the equipment was picked up in. - Client is responsible for any and/or all permits or permissions needed and AX will act only on orders of client. - Client is responsible for any and/or all accommodations necessary to bring equipment into compliance with the American With Disabilities Act if such accommodations are needed. Client assumes all costs and liabilities in making said accommodations. - While on-site, AX's employees are to be considered production crew members with equal access to crafts, catering, first-aid, etc. - Client assumes responsibility for any overtime or additional fees incurred by AX due to delays caused by client or its assigns including costs/losses of future AX rentals. Client is responsible for any motel/hotel charges and/or

if not paid. AX reserves the right to demand/receive additional rental fees if use of equipment goes beyond reasonable use and limitations.

-- AX may, at its discretion, offer a 30-day payment processing period to clients. In such cases, starting on the 31st day from the date of performance, a one-time, retroactive credit application fee of 25% and a 2% per month finance fee may be applied. -- Normal delivery service area is all of Bonneville County, Idaho, which includes the city of Idaho Falls. Any delivery outside the Bonneville County will require separate negotiation.

-- AX will make every reasonable attempt to arrive and deliver equipment in a timely manner. AX is not responsible for delays or cancellations caused by excessive traffic, road construction or accidents, road surface and equipment clearance obstacles or unsafe driving conditions caused by weather or mankind. In the unlikely event of a delay or cancellation, or failure of AX's equipment for any reason, AX will reimburse or credit the client with a discount equal to the pro-rated amount of the daily labor and/or rental rate based in half-hour increments. Under no circumstance will AX be liable for losses incurred by client, its client(s) or its assigns due to delays in delivering or returning equipment, performance of the equipment or performance of equipment contained within. AX will make every attempt to provide properly working equipment, to service any malfunctioning equipment, or to replace malfunctioning equipment with an equal or better substitute. In the unlikely event of equipment failure, AX will reimburse or credit the client with equipment's separate daily rental rate based in half-hour increments.

-- AX will make every attempt to position and assemble the rented equipment in the location desired by client. AX reserves the right not to set up its equipment in any position which the representative of AX feels may cause damage or excessive strain to the equipment, or for any reason poses a safety or security threat to the equipment, its contents or any persons around the equipment. Failure of client to anticipate obstacles that prohibit AX from delivering ordered equipment, or to find a safe and secure location to position equipment does not negate client's rental obligation even if the equipment was not used for part or all of the rental period.

-- In the event of a multiple day rental whether AX or Client provides operational insurance coverage, Client assumes responsibility for providing security, including liability and physical damage coverage, for any equipment which is left on location during non-supervised hours.

-- In the event of damage to the equipment, any of its components, software or its contents during rental, AX reserves the right to decide replacement, repair or demolition of value of the effected item at its discretion. Any excessive cleaning costs beyond normal cleaning of equipment will be passed along to client. Use of any gummed, non-gaffer tape is prohibited. -- Client agrees to include Tennessee Prompters in all published production credits.

-- This agreement shall be interpreted according to the laws of Idaho. Any issue not specifically addressed in the above

-- This agreement shall be interpreted according to the laws of idano. Any issue not specifically addressed in the above contract shall revert to the common laws of the state of Idaho effective on the date below. Any civil action involving this contract shall be brought in the state courts of Bonneville County, Idaho.

I have read and understand the above rental terms and agree to abide by them.
